BIODEGRADABLE

An excellent non-acid, non-corrosive cleaner that is designed to destroy grease build up while controlling slime and odor. Below are a few of the many jobs where excellent results will be obtained: removing decals; oven and grill cleaner; laundry pre-spotter, removing lipstick and make-up from clothing; removing stains & spots from carpet & upholstery; cleaning and degreasing hard inanimate surfaces.

DIRECTIONS:

- Remove protective cap and direct spray toward surface to be cleaned. Always hold container upright.
- Apply liberally to surface to be cleaned, and allow to stand for 30 seconds and wipe with a cloth or sponge.
- When cleaning fabrics, always test in an inconspicuous area for colorfastness.

WARNING: Use only with adequate ventilation. Intentional misuse by deliberately concentrating and inhaling vapors may be harmful or fatal.
